HOPE not hate

Unity is strength

Affiliate to Trade Union Friends of HOPE not hate to join with others in the fight against the far right in your workplace and community.

Trade unions are at the heart of the campaign and have a proud track record in standing up to the politics of hate and xenophobia promoted by UKIP, the BNP and EDL

We know that unity in the workplace, regardless of race, religion or gender is key to winning better conditions, and this is just as true in society at large.
